

WNBC Meeting Minutes December 2, 2010

1. We discussed the fact that we can't get the Boys Varsity Basketball games covered for the concession stand. Until we get coverage we will be holding payment for the practice gear.
2. Discussion of water donated by Golden Eagle. We agreed to the logo label when they were donating the water. The label states it is sponsored by Golden Eagle. They came to us asking us to pay \$4.00 per case. We can buy water cheaper so we decided we will respond to Golden Eagle stating we will no longer use their logo labels. Mike will talk to Todd at GE to let him know the whole reason we agreed to the joint logo was because they were sponsoring it.
3. For concessions whoever closes please let Linda know that night what is needed so the stand can be ready for the next event.
4. There was discussion regarding the wrestling meet on 12/11, the wrestling parents should be covering the concession stand for the event.
5. Papa Murphy's Pizza wants to sponsor giveaways for half-time at basketball games. Mike to discuss with Todd from Papa Saverio's since we buy pizza from them.
6. Separate cash box for spiritwear, decided to use a bank bag labeled in the drawer next to the cash drawer.
7. For spiritwear we have some new hoodies on order. Chris is also looking into winter hats as well as baseball caps.
