

WNBC Meeting Minutes
December 3, 2009

1. We received a very nice thank you from the volleyball team for our support through the season.
2. We have been invited to Golden Eagle Bank's holiday open house Thursday 12/10
3. Joe Conroy came to ask for 15 basketballs, IHSA changed the ball they use, as well as a white board and 26 nets. He is also looking at a stats program. He told us the team is doing various fundraisers working towards purchasing a shooting machine and software to break down the games.
4. MLK Classic there will be 10 teams participating in the event on 1/18/10. Joe Conroy is working to get sponsorships for t-shirts and Gatorade for players. He is hoping that this will become an annual event for our school. Went over the needs of staffing for concession stand so it will be open for the whole event. Boys from the Sophomore team can also work during the event as well as players from the girls team.
5. Tammy Sherman, a WNHS parent presented us with information on Gold Party with a Twist. She accepts any type of gold and pays you on the sport. This would be a WNBC fundraiser with 15% of total profit going to us. We discussed maybe doing it in connection with a vendor fair.
6. A suggestion was made to post concession stand schedules on the web-site. Pete to check into this.
7. Chris filled us in on the new spirit items. Flannel pants and sweat pants as well as fleece scarves, gloves hats and head bands.
8. We will be doing a 50/50 raffle during all Varsity basketball games. This will be run by the Key Club.
9. There was discussion about a winter event: Perhaps a Casino night. Mike to follow up to get information on what it would involve.
10. Pete checking into other golf courses for our golf outing. Looking for a larger venue.
