2. Coach Roller from boys' tennis is requesting 4 size small sets and 7 size medium sets of uniforms. The current uniforms are all in larger sizes. She currently has 22 players registered.
3. Discussed different ways of organizing board positions. Hopefully we can split the concessions into 3 positions. We are all currently trying to recruit more people to join the board.
4. Tami is going to send out corporate sponsorship information as well as the golf outing information.
5. Kim will contact Nic to be sure that we have permission to get the e-mail addresses of all registered athletes for the next school year, this will need to be on the registration forms.
6. We need golfers for the outing we all are going to try to get at least 1 foursome for each board member.
7. Tami is filling out the application for the Kohl's A-Team request for volunteers. This is a program that provides workers as well as gives us a donation for each event.
8. We need to start working on the donations for the golf outing. We have a Google Sheets document set up to track donations as well as sponsorships.
9. Phil is going to set up the grill to cook dogs/burgers half way through the course.
10. We will be using the school's tables and chairs and will be purchasing tablecloths for the senior banquet. 31 North will be the caterer. Phil will also have a sweet table he is working with a bakery on that.
11. Kim is e-mailing sign-up sheets to all the coaches to get volunteers for the 4 track meets.
12. We are going to use R&S for our spirit wear. Parents will even have the option to go to R&S and make a purchase if we are out of a particular item or size.
13. We will be providing the food for the graduation lunch at \$5 per meal.
14. We voted in favor of the basketball uniforms with the stipulation that they don't need to be paid for until September.
15. A vote was not taken for tennis we need to get more information. We don't understand how they don't have enough uniforms when we bought 30 last year and she said there is only one Freshmen on the team. We are going to ask for an inventory.

Respectfully submitted by Karen Devore, Secretary WNBC
