

WNBC Meeting minutes April 30, 2015

Meeting was called to order at 6:30p.m. in attendance Phil Senn, Karen Devore, Rich Haynes, Trish Haynes, Kurt Ritter, and Kim Niese.

1. Alex Julian from Troop #159 BSA. He is looking for funding for his Eagle Scout project which is to build 6 picnic tables to be located near the football field. The approximate cost of the materials needed for the project would be \$844. He is building them out of pressure treated pine. He has already secured permission from the school administration.
2. We really need to work on getting more golfers as well as auction items.
3. We did not get anyone to come forward to take any of the open board positions. Trish Haynes did step up to be our volunteer coordinator. Going forward we are going to try to get others to help us in each of our positions. Phil has asked each of us to bring a new board member to the next meeting.
4. Would like to come up with a clean-up crew that would come at the end of the football games just to do the clean up once we are done.
5. We are in good shape financially.
6. Kim is asking Camden to send out an e-mail blast reminding everyone to respond for the senior banquet.
7. Set up for the banquet is going to start right after lunch. Everyone should get there as early as they can.
8. Phil is going to touch base with the gentleman doing the lights for the banquet to be sure that we can see the lights, if it is too light outside they won't be seen.
9. We are set for the meals for the senior lunch on the 15th.
10. Pizza warmer is coming back on May 7th.
11. Karen will re-send e-mail with access to the Google sheets for both the golf outing as well as the Castle Bank Challenge.
12. We voted in favor of the Eagle Scout project. We are asking him to put something on them saying his name and that it was an Eagle project.
13. We are going to research a hoe-down as well as a donkey basketball game as possible fundraisers.

Respectfully submitted by Karen Devore, Secretary WNBC

Next meeting June 5th at 6:00 p.m. front conference room
