They talked about pushing the seasons back and shorter seasons.
- IV. Treasurer's Report - MT -- After uniforms we are still good. We unfortunately don't have any income coming in at this time and no fundraisers scheduled at the beginning of the school year due to COVID.
- V. Spiritwear Update- JB -- There are 3 options with the pricing for masks. He is going to put them online and mark them up however much we want him to. The 3 ply with the logo \$7.50. 1 ply is \$4.60. That is what they will charge. 3 ply - \$10 1ply -\$7 We can put it on the website to promote the masks - order some and have some on hand. We will purchase 20 masks of each, if we can sell them on a table. With camps still being held, can we get the Spirit Wear out of the building and sell it outside on tables?
The day before will there be a Freshman orientation? We can sell Spirit Wear there.
- VI. Crosstown Challenge Update-SC -- Waiting on this. Letters were sent to all of the sponsors to acknowledge them at the games. Not asking for money but acknowledging them.
- VII. Trivia Night -- Melissa and Becky will help. Plan it, but we will see if we are still out of school. Date: Saturday, February 20, 2021.

Wait and see if concessions will be able to open during games. Also have to see if we will have stream on Huddle. Sell package/bucket like movie theater does to eat concession at home and stream on Huddle. Athletes can deliver to homes. Tickets for spectators might happen - first come first serve or two per athlete given to meet the 20% capacity.

Concession candy is missing. We don't know where it went. Only 5 boxes left.

Schedule next meeting after we see what IHSA says if we are having sports or not.

Meeting Adjourned 7:55PM
